

Curbs Curbs Curbs *Labor Saver*

New and improved aluminum curbs from Sun-Tek. No need to spend time on the roof building a curb including flashing.

IT'S ALL ONE-PIECE AND READY TO INSTALL !

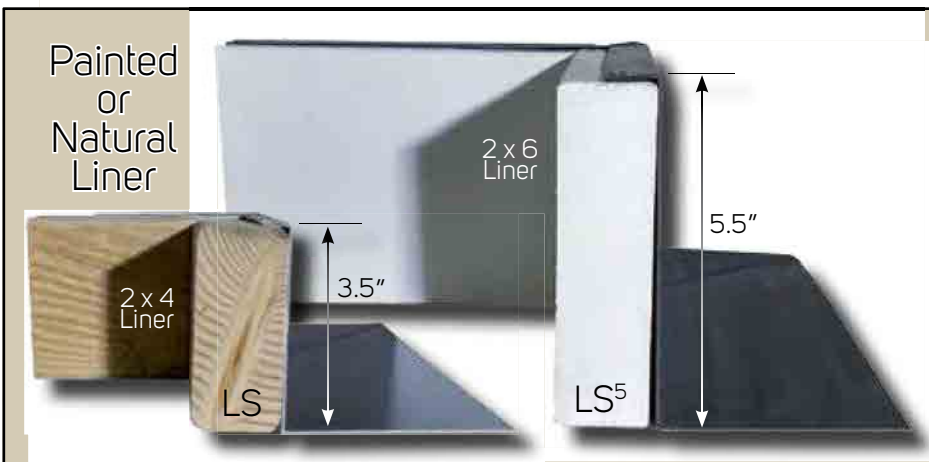

Made from the same T6 aluminum as our skylights, the *Labor Saver Curbs* are TIG welded for tough long lasting durability.

They are available painted in bronze or mill (natural aluminum) finish. The wood liner optionally comes natural or painted white. Available as a 2x4 or 2x6 curb installation. Not for use on metal roofs.
